Black Silk Stove Polish

It makes old stoves look like new and lasts four times as long as any other shine. Don't imagine all brands of stove polish are alike. Black Silk is different. It's so much better than other stove polishes that there is absolutely no comparison. It's in a class all by itself.

class all by itself.

It makes a brilliant, glossy shine that anneals to the iron—don't rub or dust off. Give it a trial. Try it on your parlor stove—your cook stove or your gas range. If you do not find it the best stove polish you ever used, your dealer is authorized to refund your money.

Here is what some of the ladies write us:

"I like Black Silk Stove Polish

RESTORES JOHNSON'S 'GOLDEN SMILE'

Plans Bout With O'Brien and Trip to Europe.

Golden Smile Jack lumbered into .818 jail stigma a California judge handed him and glad to get back to Chicago

Despite twenty-five days in a cell to think it over Johnson returns unrepentant and with an attitude which odes trouble for the motorcycle cons. The champion is far from being tamed by the drastic methods the coast court took in an effort to cure him of the auto speed mania, and says he will try out one or two of his high-powered cars on the Chicago boulevards the rest of the week.

A big crowd of admirers and nonadmirers greeted the champ when the Overland limited steamed into the Northwestern station, and the glant colored fellow pushed his way through

the fam in the depot with difficulty. Jack hates a horse worse than any thing else in the world, especially since he had to curry a few of the animals while doing time in the Frisco jail. So imagine his chagrin when he was unable to get a taxicab to take him to his Wabash avenue home. But Jack was game and climbed into an old sea-going carry-all, pulled by a worn out equine. He reached home with the face of a martyr, but after he had greeted again in the eighth inning to save the his family the smile came back and Jack consented to an interview.
